The Commission on Physical Fitness was created by Chapter 606, Acts of 1963, to protect and improve the physical fitness of the residents of this State.

The Commission consists of twenty-five members, including a chairperson, all appointed by the Governor upon the recommendation of the Secretary of Health and Mental Hygiene because of their interest or experience in physical fitness for both youth and adults. Members serve for a term of four years. The Commission appoints the Executive Director, who also serves as the Secretary of the Commission.

The Commission maintains liaison with the State Department of Education, the city and county Boards of Education, private and parochial schools, and physical fitness commissions. It also disseminates information about physical fitness, collects and assembles information from other departments and agencies of the State, and employs such personnel as necessary to carry out its functions.

The Governor also appoints in each county and the City of Baltimore a local Physical Fitness Commission, composed of from fifteen to twenty-five residents of the particular political subdivision. The Governor designates the chairperson of each Commission (Code 1957, Art. 41, secs. 339-345).

All members are appointed by the Governor upon the recommendation of the Secretary of Health and Mental Hygiene for five-year terms.
